PROFESSIONAL SUMMARY

Detailed-oriented and highly skilled Web methods Integration server Administrator with 4 years of experience in managing and maintaining integration environments. Proficient in implementing, monitoring, and troubleshooting integration solutions. Strong understanding of enterprise application integration and middleware technologies. Committed to optimizing system performance and enhancing operational efficiency.

SKILLS

- **Integration Tools:** Webmethods Integration Server, Webmethods Designer, Webmethods API Gateway, WinScp.
- **Operating System:** Red Hat Linux, Windows, Ubuntu
- **Application Server:** Webmethods 9x/10x, Apache Tomcat
- **Databases:** MySQL, Oracle, SQL Server.
- **Programming Languages:** Basic Java
- **Version Control:** Git, Gitlab

EXPERIENCE

Associate Consultant, Capgemini Technology Services

30 Mar 2021 - Present

- Having 5 years of IT experience in Webmethods Integration Server, Broker server, Designer MWS, Universal Messaging.
- Worked in multiple roles in the team as Webmethods Infrastructure Administrator and Application Production Support.
- Expertise in Understanding of ESB Applications.
- Experience in handling Administrator related issues and provided 24/7 support.
- Monitoring thread usage, connection pool usage, CPU usage, Memory usage and preparing reports for the performance tests, dry run tests and load tests conducted on the application Servers.
- Reduced downtime by 15% with improved logging and error handling.
- Managing and monitoring the JVM Performance by adjusting Weblogic heap size and garbage collection parameters.
- Provided technical support and troubleshooting for integration issues, achieving resolution.
- Developed and maintained technical documentation for integration processes and configuration.
- Automated CI/CD pipelines using GitHub Actions, improving build **efficiency by 30%**.

EDUCATION

Bachelor of Engineering (Electronics and Communications)

S G Balekundri Institute of technology, Belagavi

August 2016 -May 2020

CGPA 8/10

Class 12th

BLDE PU Collage, Jamkhandi

May 2014 – May 2016

Percentage – 80.88%

Class 10th

Vidyasagar School, Kagwad

June 2013 – March 2014

Percentage – 89.48%
